## Strong Communities begin with Engaged Neighbors

*Be part of a team that keeps people informed, connected and involved.*

**VOLUNTEERS** are a vital part of the Kennett Area Democrats team, helping connect with neighbors, share information, and support Democratic candidates across all 20 precincts. Through conversations, events, and outreach, they keep our community informed and engaged. Whether organizing and staffing events, writing postcards, preparing mailings, working at Campaign Headquarters, or helping on Election Day, volunteers contribute in ways that match their time, talents, and interests.
